April 2018

Dear Parents and Members of the Class of 2022,

Welcome to Woodbridge High School!

Each year in April and May, eighth grade students and their parents select courses for the freshmen year in high school and are invited to participate in a high school orientation program. This is an important process in which we at Woodbridge High School work together with the middle school teachers, students, and parents to make the transition to high school as smooth as possible. Our course selection and orientation activities are briefly explained below.

Please mark your calendar for these TWO important dates:

- **8th Grade Family Night** - Monday, April 16, 2018, 5:30p.m. – 9:00p.m.
- **Course Selection Dates** - dates/times listed by your student's middle school.
